Dear Estimator:

Adanta, Inc. is pleased to present this bid to provide environmental services for the above referenced project. This quote includes up to two revisions per plan without additional cost and all plans are delivered in PDF electronic format only. Quotes for lead/asbestos training are available upon request.

We contract this type of work by purchase order only as it allows us to keep our cost down and turnaround fast. We are happy to provide requested insurance documentation and certified payroll isn't applicable as we are providing a professional service. Our terms are 30 days payment in full and as a part of our "go green" initiative, we are a paperless office and execute all documents electronically only.

If you have any questions or have DBE Confirmation forms that need to be completed, please contact Operations Manager, Cheryl Moore at cheryl.moore@adanta-inc.com.

Sincerely,

Kimberly Patz, President

RE: Disadvantaged Business Enterprise Certification

Dear Mr. Karanja:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

NAICS (2007)	Description
561612	Security Guards and Patrol Services

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP's website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to ensure your continued DBE status, you are required to submit an annual No Change Declaration Form (which will be sent to you) along with supporting documentation. If no changes are noted, then your DBE status remains current. If there are changes, Metro will review to determine continued DBE eligibility. Please note, your DBE status remains in effect unless Metro notifies you otherwise.

Should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/mailling address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Congratulations, and thank you for your interest in the DBE program. Should you have any questions, please contact us at [213-922-2600](tel:213-922-2600). For information on Metro contracting opportunities, please visit our website at www.metro.net.

EXTRA WORK PERFORMED ON A T&M BASIS:

All additional work shall be performed on a time and material basis. All hours shall be billed pursuant to the Carpenters' Union, 4-hour minimum per day per man or a dry-run charge of 2-hours each, plus trucking. **Billing rate to increase by \$2.75 every year on July 1st.** Private work rates @ \$96.60/hour (straight time), \$133.98/hour (overtime), & \$165.32/hour (double-time). Prevailing wage rates @ \$99.28/hour (straight time), \$136.41/hour (overtime), & \$161.49/hour (double-time). Standard straight time (eight (8) hours or less in a single day). Overtime will be billed for hours 8-12/hours per day. Double time hours (in excess of twelve (12) hours in a single day and for anytime on Sundays or holidays). All hours shall be billed on a portal-to-portal basis. There is also a 22' stake bed truck trip charge at \$275.00 (1-60 miles) minimum based on distance. All additional material rent shall be added to extra work tickets. Hourly wages do not include per diems, hotels, travel, or other associated expenses. These charges will be added to billing. Any T&M/extra work orders signed by any Customer representative shall be binding and billable after extra work is completed. Any T&M/extra work will be performed as an accommodation for Customer. A formal change order must be sent to VAI within 48-hours to cover additional work performed and signed for on the extra work ticket.

PAYMENT TERMS:

Invoices in connection with delivery, labor (installation and/or tear down), rental, and return trucking of this equipment will be issued to Customer on a monthly basis or when work is completed. All invoices are payable in full and payment is not contingent upon Customer receiving funds from any other party. VAI will not allow retention to be withheld. Scaffolding is a service and as such, is exempt from retention. VAI does not agree to any "Paid If/When Paid" terms and as such, the Customer's contract with the owner of the project (Owner) or general contractor for the project (GC) shall have no bearing on VAI's payment terms or contract. VAI will not agree blindly to any contract terms between Customer and the Owner or GC. If VAI is required to enter into a customer contract agreement, this Proposal/Contract, as listed in its entirety, shall be added to any such agreement as an addendum or attachment with full inclusion of the terms of this Proposal/Contract. In the event Customer issues a work order, purchase order, or other written or verbal approval to start the work listed in the Scope of Work in this Proposal/Contract, then it is understood that Customer accepts this VAI Proposal/Contract in its entirety. Terms are Net 30 days. Invoices not paid within 60 days of the invoice date shall be subject to an interest rate of 1½% per month on any unpaid balance.

INSTALLATION & TEARDOWN CONDITIONS:

All furnished equipment/material by VAI, as described herein is subject to these stated conditions: VAI will follow the Fall Protection Plan (1671.1 Title 8 in Article 24) during the erection, repair, extra work, and tear down phases of work. VAI does not include provisions for tie-off in any manner during any phase of scaffolding work. If tie-offs are required by either Customer, Owner, or GC, they shall respectively provide OSHA compliant tie-off points capable of supporting (#5,000lbs) per point. Customer shall provide clear scaffold work areas. All other workers (trades) shall not be allowed to work in the scaffold work area during scaffolding erection and or tear down phases of work. Customer shall be held responsible for any lost time and additional trip charges. VAI will include toe boards above entrances and exits only; all other areas shall be an additional charge. All other areas are to be restricted by the customer in such a way that no work will occur under areas where the toe-boards are not installed. If toe-boards are required in other areas, an \$12.00 per toe board charge shall be added to billing (includes installation, rental, and teardown).

DEMO SCREENING: (NIC-BY OTHERS)

The installation of demo screening and/or other netting materials, by others shall not be permitted unless authorized by VAI. When screening is necessary scaffolding will require additional anchoring to structure and may require Engineering. If demo screening or netting is permitted by VAI (whether installed by VAI or others) it will become the responsibility of the Customer/Contractor to manage it. Screening and/or netting must be rolled up and tied-off to the top of the scaffold prior to/and must remain tied-off during any extended period when workers are off the job; including prior to/and during each weekend. Screening must always be rolled up and tied-off to the top of the scaffold during inclement weather; this would include, but is not limited to, high-winds above 15MPH. Failure to comply with the above mentioned terms will create sole negligence on the Customer/Contractor's part and, as such you shall indemnify Vertical Access, Inc. from that point, on. In doing so, Customer/Contractor shall agree to defend and hold VAI harmless from any/all liability.

** If requested, VAI will install 20'x50 demo screens at \$475.00/each. This includes 1-60 days of material rental. OT Rent @ \$50.00/each/month thereafter

SHRINKWRAP ENCLOSURE SYSTEM: (NIC-BY OTHERS)

Vertical Access, Inc (VAI) hereby proposes to provide the materials and installation of our Shrinkwrap Enclosure System to provide a temporary containment of building or structure described in scope herein. This Enclosure System is not a 100% watertight system and VAI will not guarantee it as such. To provide the maximum strength, durability and safety the System shall be constructed with 9 or 12mil HD, fire retardant, polyethylene plastic, typically attached to the exterior perimeter of our scaffolding. During the installation of the Enclosure System the customer assumes the responsibility for damages caused by inclement weather, such as: wind, rain, hail, snow, earthquakes, tornado's, floods, lightning, etc. Furthermore, VAI will not be held responsible for delays or any damages to building or structure caused by scaffold, shrinkwrap, and/or spray glue due to these and other adverse weather conditions. Once the Enclosure System is installed and accepted by Customer/Contractor, it becomes the property of said Customer/Contractor. VAI shall not be responsible for loss or damages beyond their control. Any adjustments, deviations and/or adds from the original specifications will be executed upon written agreement only, and may result in additional charges. Unless otherwise noted, the charges in this proposal are based upon work being performed under Carpenters Union labor rates. Any repairs or changes made to the System will be charged on a T&M basis at the rates noted.

It shall be the sole responsibility of the Customer/Contractor or entities other than VAI for tear down and disposal of the poly-plastic and all other associated Shrinkwrap Enclosure System materials prior to scheduling the scaffolding to be dismantled.

Failure to comply with the above mentioned terms will create sole negligence on Customer's/Contractor's part and, as such you shall indemnify Vertical Access, Inc. from that point, on. In doing so, Customer/Contractor shall agree to defend and hold VAI harmless from any/all liability. If Customer/Contractor decides to install their own Enclosure System, with permission from VAI, we shall be released from any/all claims and Customer/Contractor will agree to defend and hold VAI harmless from any liability resulting from the installation or failure of the system.

HAZARDOUS MATERIAL EXPOSURE: (IF APPLIES)

If any/all scaffold equipment erected or rented by VAI has become exposed to hazardous materials such as: Asbestos (ACM), Lead (LBP), Mold, etc. the customer agrees to clean and/or decontaminate equipment prior to scheduling the return or dismantling of scaffolding. VAI may require verification certifying that the equipment is clean and free of any hazards. Rental will continue until verification is received by VAI.

36" W OSHA COMPLIANT ACCESS STAIR TOWER: (NIC)

Stair Tower rated at 25PSF at all levels.

VAI will install Stair Tower within 5' away from exterior wall elevation.

VAI will require a 14' W x 8' L clear area to set stair tower.

5' W PEDESTRIAN CANOPY: (NIC)

VAI will install a solid beam and plank Canopy with 1/2" plywood on the inside elevation of the Canopy.

Customer is responsible for pulling all encroachment or city permits and the payment of associated fees prior to Canopy being set.

VAI does not include lighting, trucking permits, and or parking fees.

SCAFFOLD TERMS AND CONDITIONS

1. It is understood and agreed that you, the Customer shall:

- A. Maintain and use the equipment furnished by VAI in conformity with safe practices, applicable standards, the Safety Rules and Instructions issued by VAI, and in compliance with the requirements of OSHA and all other applicable legal requirements.
- B. Determine the strength and adequacy of any surfaces (ground floor or elevated roof) or structures upon which the scaffold is to be placed and ensure that all surfaces or structures shall support the intended scaffold loads. If re-shoring or cribbing is required, an additional charge will apply. VAI requires a minimum of 5' clear from wall for 3' W scaffold and 7' clear from wall for 5' W scaffold.
- C. Assure that the butts and ties, which VAI installs to secure the scaffolding to the building or structure are maintained in place. If ties or butts are removed for any reason, Customer will replace them with adequate substitute ties and butts so that the scaffold is at all times properly secured.
- D. Not permit the scaffold to be moved, dismantled, re-erected, or altered except as otherwise specified herein, nor allow the scaffolding to be covered or enclosed without prior written consent by VAI.
- E. Acknowledge that once the scaffolding is erected and is initially inspected by VAI's "competent person" it becomes the responsibility of Customer and is deemed acceptable by Customer. Customer shall perform daily inspections prior to each use, and before each shift. Customer agrees to notify VAI immediately if there are any alterations or changes from the original set. If repairs to the scaffold are needed, they shall be done on a T&M basis, by VAI prior to further use.
- F. Require that any person, company, or entity, including the Owner, GC, or any subcontractor, have an authorized representative read and sign the Vertical Access, Inc. Scaffold Equipment Release, Indemnification and Hold Harmless Acknowledgment & Agreement attached hereto as Exhibit "A" before they are allowed to access and/or work on any scaffold provided by VAI pursuant to this Proposal/Contract.

2. VAI will make every effort to deliver, erect, and dismantle this equipment as required on reasonable notice, but shall not be held liable for loss or damage arising from late delivery, delayed erection or dismantling, or other non-fulfillment of contract terms by reason of acts of God, fires, labor disturbances, strikes, delays in transportation, accidents, civil or military authority, or any other cause whatsoever unavoidable or beyond VAI's control.

3. Customer hereby acknowledges and agrees that any legal or contractual default on its part with respect to the performance of its obligations hereunder, including, but not limited to, payment, shall give VAI the right without further responsibility, in addition to any other legal remedies available to VAI, to enter upon the premises where its equipment is located and repossess the equipment without any obligation on the part of VAI to resort to legal process.

4. To the extent that any term or provision of the Proposal/Contract is deemed void or not in compliance with the applicable law, that term or provision alone will be void, while all other terms or provisions will be enforceable to the fullest extent of the law. This Proposal/Contract may be executed in counterparts, which, collectively, shall constitute one original.

5. Customer shall, except for sole negligence by VAI, indemnify, defend, and hold VAI harmless from liability, loss, or expense including, but not limited to, reasonable attorney's fees, on account of injuries to persons, including death or damage to property, provided such injuries, death, or damages can be attributable in whole or in part to either Customer's negligence, willful act(s), or failure to comply with the aforementioned requirements, including any negligence or such failure on the part of Customer's agents or subcontractors, or anyone Customer allows to use, alter, improve, or repair the scaffold or structure(s) to which the scaffold is connected, including by the Owner and/or GC. This indemnification shall be interpreted and applied to the fullest extent permitted by applicable law. If the scaffold and/or shoring is altered by anyone other than VAI, Customer agrees to defend, indemnify, and hold harmless VAI from claims, losses, fines, and all other damages resulting from the alteration of the scaffolding from its original setup. VAI shall not indemnify any party for their active and/or passive negligence.

6. VAI shall be reimbursed for all attorney's fees, collection costs, and any other costs associated with a lawsuit or collection process, arising out of or related to this Proposal/Contract.

7. VAI will provide an insurance certificate with the following per project coverage: 1/29/18 thru 1/29/19

Workers' Compensation insurance at \$1,000,000.00 per occurrence;

Automobile at \$1,000,000.00

General Liability at \$1,000,000.00 Aggregate at \$2,000,000.00 Excess at \$3,000,000.00. Total Aggregate at \$5,000,000.00

OCIP/CCIP deduction already taken out of base quote totals.

**** Waiver of Subrogation Endorsements (Additional Charges Apply) will only be provided with the following language agreed to between VAI and Customer: The Waiver of Subrogation will not apply to damages or injuries to Vertical Access employees and/or property caused by Customer, or its agents.**

8. Customer shall at it's own expense insure VAI Equipment for full replacement value of equipment against all risks of los or damage naming Vertical Access, Inc. as loss payee with all losses payable to Vertical Access, Inc. Customer shall at it's own expense carry appropriate insurance protection concerning the use and rental of VAI Equipment from any claim from a third party, whether arising from personal injury, wrongful death, property damage, or any other claim based in tort or contract. Such insurance shall meet minimum acceptable limits of \$1,000,000 for each of the GL, Auto, or WC. Such insurance must specifically identify VAI, its officers, employees, assigns, agents, independent contractors, and any successors in interest as named additional insureds on CG2010 1185, for the same coverage afforded to Scaffold User as it pertains to VAI Equipment. Such insurance must expressly provide that it shall be primary as to any claims arising out of the Scaffold User's use of VAI Equipment which is the subject of this Agreement and that any additional insurance which VAI may have shall not be subject to any pro rata contribution or apportionment, and shall operate as excess protection only. Scaffold User shall provide to VAI an additional insured endorsement and certificate of insurance reflecting all of the foregoing conditions precedent before being able to use any equipment, which is the subject of this Agreement.

Thank you for the opportunity to quote this project. To execute this contract simply complete the information below, sign and return via email scanned back to mmartinez@vaiwest.com as soon as possible.
